Products derived from pure flower and plant essence:

Aveda's "Art and Science of Pure Flower and Plant Essences" calls for ingredients of the highest integrity. Sourcing ingredients from traditional communities around the world allows Aveda to connect its mission of environmental and social responsibility with its industry. Based on a holistic approach to beauty and health, we believe that ingredients of plant origin bring out the natural healing power of the human body to maximum effect.

Made of certified organic oils, Aveda's unique aromas embrace nature. They offer you the heart of plants grown with life forces - water, soil, air and sunlight and the care of dedicated farmers.

Personalised care:

Treatments are customised, through consultations, to suit the individual needs of each guest. After each treatment, we can recommend a home care package ritual for you to continue the Aveda experience in the comfort of your own home.

Prices are based on the experience and training of Aveda Salon Professionals.
